Make Skin Smooth

There is one safe, dependable treat-ment that relieves fiching torture in-stantly and that cleanes and soothes

the skin.

Ask any druggist for a life bottle of seme and apply it as directed. Soon you will find that pimples, black heads, ocsema, ringworm and similar skin troubles will disappear.

A little seme, the penetrating, satisfying liquid, is all that is needed, for it banishes all skin eruptions and makes the skin soft, smooth and healthy.

I have ofter thought that every man is better than the world sees him. This is true even of those that the cold, cruel world has cast off. The world does not see the tears which the abandoned one sheds over her evil life. The world does not know of the sorrows borne, by men and women. But anyhow, a man must know binself. It is the part of wisdom for a man to set up a high standard for himself and then demand of himself that he measure up to that standard. It is a fatal weakness for a man to seek excuses for himself. The man who makes it hard to please himself will make it much easier to please others. Yet I will say this parsonal judgment is neither final necurity.

Likewise, ye wives be in subjection to your own husbands; that if any obey not the word, they also may without the word be wen by the conversation of the wives:

the wives:
While they behold your chaste conversation coupled with fear.
Whose adorning lot it not be that outward adorning of platting the hair, and of wearing of gold, or of putting on of

apparel;
But let it be the hidden man of the heart, in that which is not corruptible, even the ornament of a meek and quiet spirit, which is in the sight of God of

spirit, which is in the sight of God of great price.

For after this manner in the old time the holy women also, who trusted in God, adorned themselves, being in subjection unto their own husbands:

Even as Sara obeyed Abraham, calling him ford: whose daughters ye are, as long as ye do well, and are not affaid with any amazement.

Likewise, ye husbands, dwell with them according to knowledge, giving honour unto the wife, as unto the weaker vessel, and as being beirs together of the grace of life; that your prayers be not hindered.

Finally be ye all of one mind, having compassion one of another, love as

propagation one of another, love as brethren, be pitiful, be courteous.
